What is a Part-time officer?

Each Zone is led by the respective Vice-President (VP), assisted by a committee of five part-time student officers. In addition to this we also have the role of Union Chairperson, which sits within the Central Zone.

All officers have the opportunity to participate in central Union projects and campaigns over the year. These include whole-Union projects such as Freshers Fair, Welcome Week and SurreyDecides, along with campaigns such as Black History Month and LGBT+ History Month.

All officers are asked where possible to support these key points in the Union calendar.

Core Duties

All part-time officers will attend their Zone's regular committee meetings during term-time. Attending Zone meetings involves contributing ideas and opinions, being consulted on Zone activities, and discussing manifesto progress to receive support from the relevant Sabbatical Officer and Zone staff.

All part-time officers are also expected to attend *Union Forum* which takes place twice per semester, led by the Union Chairperson. Attending *Union Forum* involves discussing student issues with the whole officer team, agreeing Union policy, and reporting on manifesto progress.

Part-time officers may also volunteer on average four hours per month during term-time to support relevant Zone campaigns through outreach, attending events, or meeting with relevant staff.
