Consistently rated in the top 10 students' unions in the UK, Surrey Students Union is an essential part of the life for all students at the University of Surrey.

Central Zone

The Central Zone is led by our President and Chief Executive Officer, it is the foundation on which all of our other zones sit on. It includes our finance, human resources, communications and front-of-house teams.

Activity Zone

The Activity Zone is led by our VP Activity and the Student Activities Manager. It supports all of our clubs and societies to operate, helps committee members through training and development and works with Surrey Sports Park on Team Surrey - our sport and physical activity programme.

Community Zone

The Community Zone is led by our VP Community and Community Manager. It is tasked with creating opportunities for Surrey students to meet each other, make new friends and try new things. It operates Rubix, our nightclub, Manor Park Social, our bar, and our Surrey Volunteering.

Community Zone

The Support Zone is led by our VP Support and the Support Manager. It provides vital support services to students throughout their time at Surrey. It operates an all-year round advice service for all student issues. It also runs initiatives such as Nightline, Welfare Watch as well as various awareness campaigns.

Voice Zone

The Voice Zone is led by the VP Voice and the Student Voice Manager. It is the key link between student opinions and ideas and the key decision makers across the University. It runs the Course Reps and Head Reps as well as the Union Voice Forum and all Union elections. It also conducts research on student issues.

Our Sabbatical Officers

Each year five students are elected by the student body to lead the Union, they are called *Sabbatical Officers*. As a student focused organisation, our *Sabbatical Officers* are at the heart of all decision making, representation and interaction with the University of Surrey senior leadership. They each lead on a zone in conjunction with a staff member meaning they can meaningfully influence and change all the key services and functions of the Union. All staff roles at the Union interact regularly with Sabbatical Officers and they lead the direction of the Union with students' needs at the heart of everything they do.
